Press Release:

Re: Jackson Center Schools Construction Project

Starting Monday, June 5th demolition of the elementary will begin and the process of moving the main office will also start. In addition, the village will begin their work on South, Linden and Davis streets. Essentially, the entire block around the school will be closed and the offices will be closed to foot traffic from June 5th to at least July 5th. The community will still be able communicate with office personnel through email and phone. Since there will be no available parking lots, all traffic for ball games must use Hamer St. for the remainder of the summer.

We apologize for any inconvenience this may cause.
