“ONE CALL NOW”

It is always our intention to provide information to all of our residents in a very timely and useful manner. Our district school newsletter, our website, the e-mail updates from the Principals, and various other communications are among these. We also have another tool in this package.

The JC School provides an automated dialing system called “One Call Now” that will enable us to deliver a message up to 45 seconds long in our voice to all households on a predetermined call list. This system can delivery over 1000 calls per minute. If you have caller ID, the call will show up as the Jackson Center Schools. We are able to use it to notify you of school delays, school closings, and general announcements about upcoming events, such as field trips, group activities, etc. For this to happen, we must generate a list of families’ preferred contact phone numbers for the notification process. The system is capable of calling each family at up to two different numbers. It is important that you let us know which numbers you would like us to enter into the system. Please fill out the bottom portion of this letter and have your student return it to their homeroom teacher as soon as possible. If you do not want to be included, mark the appropriate space.

We are excited to bring this communication tool to you. We believe it will give the JC Schools the ability to more consistently communicate issues that are important to you about your children. Be assured that this information will not be shared by “One Call Now” or the school with any other agency or business. Thank you in advance for returning the bottom portion of this letter.

William Reichert, Superintendent

Parent: _____

Students Living at your Residence: _____

Grade: _____ Homeroom Teacher: _____

_____ Please do not include us.

_____ We are already in the system.
